

The apartments

All apartments have a spacious veranda. Very pleasant to stay when it's hot. The veranda is the place for pleasant cooling due to the almost always present wind from the sea.

The bathroom

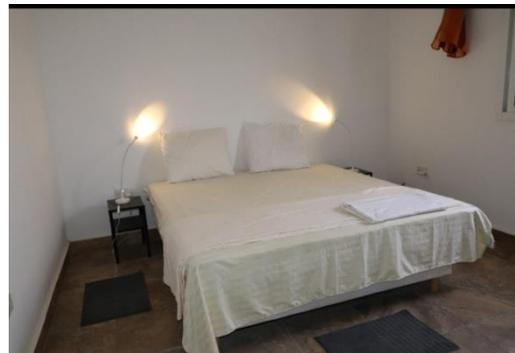

The bathroom has a sink, mirror, shelf and shaver socket and includes a toilet, spacious shower also a Muslim shower. The bathroom is equipped with a barrier-free walk-in shower and toilet.

Device

In the living room is a double sofa, armchair, table and carpet, dining table with chairs. The apartments are luxurious and complete and therefore also suitable for long-term rental.

All apartments have a fully equipped kitchen with electric cooker, fridge and freezer and kettle. A living room with sitting and dining area and a bedroom with an excellent bed (box spring).

Technic

The apartments have their own electricity meter. On average, electricity consumption is 300 Dalasi per week. (Less than 6 euros)

Internet is available via Wi-Fi. However, the internet is not as fast as you are used to. You can use the internet in many places.

Swimming-pool

The residence has a nice swimming pool with sunbeds and outdoor shower where it is wonderful to stay.

The Bantaba is a common room with lighting and ventilation. There is a spacious kitchen that can also be used.

General

There is a supermarket in the immediate vicinity. In the morning we get bread and if the guests want it we can bring fresh bread for them. Everything is easy to arrange. There are several restaurants within walking distance. Often a hot meal is available as a take away. Very affordable. We know the best restaurants and nightlife. We are happy to advise you on request.

Additional

If desired, we can wash and iron your clothes. We are happy to help you with transportation. We have a fixed team of reliable taxi drivers. The rates are extremely suitable. You can book excursions through us. A complete overview of the possibilities is available. Bed linen is changed every week. On request your linen can be washed more often. Bath towels can be rented through us.

Parking

Twelve parking spaces are available within the compound.
